Experience

Full-Time:

Fitness Anywhere Inc. ~ Web Designer

Completely rebuilt brochure section of the site from the ground up, using XHTML/CSS/PHP and SEO standards. Skinned their Community CMS and Store Front. Assisted with UX design and AJAX implementation.

WisdomArk Inc. ~ Graphic Designer

Creating interfaces, CSS driven layouts, and graphic content. Helping the Product Development and Marketing Departments to establish branding and identity for the website, OurStory.com.

Eichleay Engineers Inc. of California ~ Art Director

Directed and maintained all creative content, print and web design workflows, and created identity standards for Eichleay and their sister companies.

Hart Howerton ~ Graphic Designer

Prepared and created content for web and printed materials. Helped set company wide standards for document layout and image handling.

Scenic Designs ~ Junior Designer

Designed and illustrated layouts for murals and signage.

Keene Scenes ~ Junior Designer

Created and prepared artwork using computers and darkroom equipment, for silk-screen print production.

Freelance:

Badde Family ~ Web Design

Website design and development using Flash.

Sherwood Design Engineers ~ Graphic Design

Designed companies's logo, web site, business card and stationary. Created flyers and brochures promoting the companie's services.

Barbara Voinar Yoga ~ Web Design

Created and maintained all event promotions, newsletters and a web site promoting workshops and events.

Bussard Lake Ranch ~ Graphic Design

Logo and business card design, along with promotional mailers.

Firestarter Graphics ~ Graphic Design

Created graphics for print and web.
